Chicks, Room 154 – Mrs. Cindy and Ms. Crystal

Greetings Parents,

We hope everyone enjoyed April, as we celebrated Holy Week and Easter, and felt the beginning of some lovely spring weather! Just a reminder to pack or bring your child in clothes for these warmer days when we go for our outdoor buggy rides. We put shade covers over the children, but if you prefer that your child wear a hat or more protective clothing, please let us know so we can prepare them for our walks.

This May we are looking forward to Water Discovery Week, where we will have some baby-friendly activities for the children to play and splash, using a shallow water tub. Please bring your child's swimsuit(s), towel, and an extra outfit for that week (May 14-18).

On Thursday, May 24, we invite your family to join us for our End of the Year Dinner and Program starting at 5:30pm in the Life Center. We will enjoy a cute slideshow and celebrate the fun year we had, as our friends transition to their new classrooms this Fall (babies will remain in Infant 1 unless you have received a transition letter).

*The following Monday, May 28, Day One will be **CLOSED** for Memorial Day.*

We want to wish all of our awesome mommies a very blessed and Happy Mother's Day weekend! We hope you feel all the love and appreciation you certainly deserve.
