April 2019

Cardinals Room

Dear Parents,

The end of the school year is right around the corner. There are only two more months left, and time is going by so fast. The children have grown and learned so much this school year. It's hard to believe that the whole class is almost four. Some of their favorite center time activities are cutting, free art, building with blocks, and Tinker Toys, and looking at books. It is such a joy to see that the book they ask me to read from the most is the bible.   Thank you to all the parents who have helped the class throughout the school year. It has been such a blessing to have such wonderful parent supporting what I do with the children in the classroom.

In April we will talking about God's earth and all the wonderful things he created for us to enjoy. Our focus will also be on Easter and the joy that it brings.   Some of the activities we will be doing are making tissue paper cross, planting flowers, bug jars. We also will be celebrating earth week by talking about recycling and how it helps the earth we live on. We also will be making egg carton flowers that week.

I would like to invite everyone to Gloria Dei's Easter Eggstravaganza, on Saturday, April 20. There will be many fun activities for the family to enjoy together. Gloria Dei will be having services during holy week. Please visit gdlc.org to see the dates and times.

One of our PK-4 teachers, Ms. Debbie Maestas is a published author. She will be doing a special book reading for her new book on April 9. She will also be selling the book and signing it that day for $13 for one book or $23 for two books.

Blessings,

Ms. Rice
