

Cardinals May 2019

Dear Parents,

I can't believe the end of the school year is around the corner. It seems like just yesterday I was welcoming all of your children into my class. I am so proud of each of the children. They have grown and learned so much. My biggest hope is that they know how much Jesus loves them and cares for them. I also would like you to know how special your children have become to me. I look forward every day to their smiling faces. I have loved all the hugs and the "I love you Ms. Rice." Thank you for trusting me with your children this school year. Your children will always have a special place in my heart.

We had a great April. We talked about Easter and read the Easter story. We made a tissue paper cross, a cross collage, made "S" is for snake, and tissue paper eggs. Our class enjoyed watching our caterpillars turn into beautiful butterflies. We took our butterflies outside and let them fly free.

In May, we will be reviewing our colors, shapes, and numbers. We will be making a Mother's Day present, Father's Day present, sunflowers, and noodle art.

We will be having water discovery days the week of May 20-24. Please dress your child in his/her swimsuit with sunscreen and insect repellent applied. Also, bring a towel, and a change of clothes, as well as another set of shoes, all labeled. Thank you

Please join us for our end of the program on Thursday, May 23. The children will be singing some of their favorite songs on stage for you. We will be meeting in our classroom at 6:30. Afterward the program and slideshow, please join me in the classroom to pick up a special memory book. I look forward to seeing everyone.

Blessings,

Ms. Rice
