

Cardinals Room
October 2019

Dear Parents,

It is hard to believe that October is already here. I have enjoyed having your children in my class. They have settled into the classroom routine. The children loves circle time. We have learned the days of the week and welcome song, counting on the calendar, and talking about the weather. The children are doing great with recognizing the first letter of their name. They also started learning the pledge of allegiance.

Last month, we made grandparent's cards, began cutting with scissors and started our family trees. The children enjoyed making a friendship quilt, and learning how God gave us our five senses so we can learn about the world around us.

In October, we will be talking about transportation, safety, and fall. The children will learn the letters A, B, and C. We will cut open a pumpkin to see what is inside! We will go on a nature walk, make a fall tree, a pumpkin seed collage, and have a shaving cream car wash!

We will be having fire prevention week October 7-11. The Nassau Bay Fire Department will be visiting Day One on Thursday and Friday. The children will get to see a firetruck and meet real firefighters. Please watch for the time our class will go to meet them to be posted on the door. Parents are more than welcome to come participate on this day.

I look forward to a fun and very busy October. As always, if you have any questions or concerns feel free to talk to me, or email me.

Blessings,

Ms. Rice
