

January 2020

Cardinals Room 162

Dear Parents,

Happy New Year! I hope you and your family had a blessed Christmas. It is hard to believe that it is already January. It seems like just yesterday that I welcomed your child into my class. It is a joy to see learn and grow. Thank you for sharing your children with me and for all the support you have given me.

Our class had a lot of fun during the month of December. We talked about Christmas and the birth of Jesus. The class worked hard on their special parent present. We made stars for the school Christmas tree and angels out of paper plates. We really enjoyed getting into the Christmas spirit by listening to Christmas music in our classroom. Thank you to everyone who came to our Christmas program, the children had so much fun!

In January, we will be talking about winter and the wonderful things that go with it. Some things your child can look forward to are making and playing with snow, making a snow picture, a sensory snow person and bird feeder. We will be having a special pajama day on January 23. We will be celebrating National Lutheran Schools Week January 27-31, so please keep an eye out for a schedule of all the fun ways to show our Day One pride!

We go outside almost every day, so please send a coat or a sweater with your child. Also, please remember to send a change of clothes for our child in case of accidents. Thank you so much.

I look forward to a great January.

God Bless,

Ms. Rice
