

# May 2018 Giraffe Newsletter

Dear Parents,

It has been such a blessing teaching your children this year and working with your family! While we hate to say goodbye to the school year, we have many exciting things planned this month! We will be reviewing our shapes and colors, as well as celebrating special days like Cinco De Mayo and Mother's Day. One of the activities your child can look forward to is making maracas!

Thank you to all who participated in our Scrip order Fundraiser last month! The last day to place an order is May 1st. The week of May 7-11, is Teacher Appreciation Week. We have parent chapel lesson Wednesday, April 9th, at 11:00AM. Please join us for our last parent chapel of the school year!

The Clear Lake Business Expo will be held at GDLC on Thursday, April 10th. We would like to recognize all of our mothers, and wish you all a Happy Mother's Day on Sunday, May 13th!

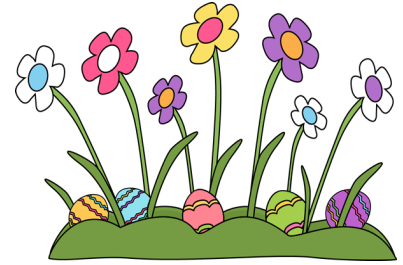

We will hold Water Discovery Days the week of May 14-18, please look for a schedule with our class's specific dates closer to that week. On those dates, please send your child to school dressed in their water gear, including water safe shoes. Please label everything, and include a towel with extra dry clothes to change into!

We will hold our end of the year program and dinner on Thursday, May 24th starting @ 5:30PM! Your child will be participating in the program, so please plan to attend! This night we will also be handing out our memory books!

Friday, May 25th is the last day of preschool. We will be closed to observe Memorial Day on Monday, May 28th. Our Summer Program begins on Tuesday, May 29th, so please indicate to the office if your child plans on attending!

God's Blessings,

Kari Lonneman and Irene Abshire
