Special Moments of Joy:

These special moments bring joy to my heart and I hope to yours as well. ☺

Actually, I am rather sad writing this last special note to all of you. I am truly going to miss each one of my students. They have touched my heart in so many ways and brought me laughter every day. It has been my honor and pleasure to watch them grow in their academic and social skills, and see their faith blossoming. I am sure God will continue to bless their lives and yours. Thank you for entrusting me with your precious children.
