

# JULY SUMMER PROGRAM NEWSLETTER

**DEAR PARENTS,**

We kicked summer off to a great start in June! We had so much fun learning about camping and space! Your children

especially enjoyed our Summer Safari

Camps when they discovered no

matter how wild life gets...God is good!

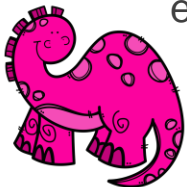

The children had so many fun experiences and made many new friends!

In July, the children will get to show off their American Pride during All American Week, and learn how much fun the circus can be with our festive carnival

days. They will become archaeologists in their classroom and have a special expedition with Mrs. Benson. The children will go home every day from Day One with something new in their hands, mind, or heart.

## **WATER DISCOVERY!!!!**

We will have Water Discovery Week is during July 23-27. A schedule will be posted in your child's classroom for their specific days. On their water discovery days, please bring your child dressed to play in the water and get messy. They need an extra pair of clothes and towel. Please make sure all your child's belongings are labeled. Please apply sunscreen and bug spray to your child prior to coming to school.

In His Name,  
The Summer Program Team
