

The Lion's
March 2018

Dear Parents,

Thank you for the wonderful contributions that you make to your children's classroom. The Valentine's Party was a great success thanks to all your efforts, time and talents. As your child's teachers, we were blessed to watch the excitement and enthusiasm that filled the room not only the day of the party, but also during all of the preparation for the occasion. Thank you for helping us to have a wonderful event during the month of February and for all of the special treats.

March is going to be an excellent month, as we are eagerly waiting for the awaking of God's son. This month we will discuss the color orange, plant orange flowers and taste orange treats too. Your children will explore the color orange using all their five senses. This month's shape is the diamond. It is our desire to share God's love by showing the children how to appreciate what He has created. We will learn our Memory Verse: "'Come and follow me,' Jesus said." Matthew 4:19. We will also explore how we can gain more self-control, our Fruit of the Spirit, through games that require us to be patient, wait our turn and learn to play together. We will continue to learn their numbers by giving the children exposure to the number seven.

Our unit topic for March is exploring God's creations. This month, our objectives are to help the students build skills that will help them to accomplish an awareness of the world God has created. We will use living and nonliving items to help the children understand this concept.

Each day we share with the children that God is love. In class, we often talk about how much God loves us and takes care of them much as their parents and caregivers do each day. This month we will share how they too exhibit God's love to their family, friends and pets. Our community helpers are Animal Helpers. Therefore, the children will bring in a stuffed animal and care for them one day this month as God cares for us. We look forward to sharing another special month in your child's life with them as we educate them for a life of success.

With Spring break quickly approaching, we ask that you continue to update your child's wardrobe by checking their change of clothes for the right size and seasonally appropriate attire. Thank you for all of your efforts regarding your child's education. It is very easy to see the light of God's love in the eyes of our children. Thank you for all of your support and help.

Your Sisters in Christ,
Ms. Cher and Mrs. Judy
