

October 2019

Parents,

The children had a great start to the new school year. They are doing a wonderful job getting into the routine and meeting new friends.

October's theme is Transportation. We will also explore seasonal changes, harvest time on the farm and fire prevention. Each week we will discuss a topic and incorporate God's Word from of a Bible story. This month is Daniel and the Lions, Daniel 6:1-23

Fire Prevention Week will be the week of October 7th through the 11th. The Nassau Bay Fire department will come show the children the fire truck and explain the purpose of parts of their uniform. It is also a way to familiarize the children with what a fire fighter looks like when they are in full protective gear. With all of this, get ready to see our children become little firefighters this month!

We would love to invite you to join us for Parent Chapel Lesson on the 23rd at 11:00 AM. There will be a chance for you to enjoy lunch and visit with other parents after Chapel.

As the weather around us is starting to change, enjoy a cool evening with your child as you cuddle up with a great book. Take a moment and talk with your child about how God is changing the world around us this season.

May God grant you and your family a harvest of love and blessings!

Your Sister in Christ,

Ms. Judy
