

The Lions March 2020

Dear Parents,

Thank you for the wonderful contributions to your child's class room. The Valentine's Day Party was a great success, thanks to all your time and talents. As your child's teacher, I was blessed to watch the excitement and enthusiasm that filled the room.

March is going to be an exciting month. **Go Texan Days** are March 2-6 at Day One Christian Academy. Children may wear their cowboy boots and hats during this time. For the safety of the children, please leave all guns, spurs, sheriff badges attached by pins, and stick horses at home. There will be a special **Rodeo Program** on Thursday, March 5 at 6:45 pm in the Life Center Auditorium.

All students are invited to participate in special **Rodeo Activities** on Friday, **March 6**, between 9-12 in the Kids Room. The Student Ambassadors from Lutheran South High School will be assisting in the activities so that parents may enjoy this special time with their children. Everyone is invited to have some fun and share this time together!

Each day we share with the children, "God is love". In class, we often talk about how much God loves us and takes care of us, much like our parents and caregivers do. This month we will share how they too can exhibit God's love to their family, friends and pets. Our Community Helpers are Animal Helpers. The children are asked to bring a stuffed animal on March 27th, and care for them, as God cares for us. We look forward to sharing another special month in your child's life with them, as we educate them for a life of success.

With Spring break quickly approaching, we ask that you continue to update your child's wardrobe by checking their change of clothes for the right size and seasonally appropriate attire. Thank you for all of your efforts regarding your child's education. It is very easy to see the light of God's love in the eyes of your children.

In closing, we are excited to welcome our National Lutheran Accreditation Visiting Team, March 29-31st, as we renew our status as a nationally accredited school! Please expect to see some of the team members around DOCA on those days, as they will be visiting all of the classrooms, and evaluating our program.

God's Blessings

Judy DenBleyker
