

# May Newsletter

“The plans of the Lord stand firm forever.” Psalm 33:11

## Hello Parents!

April was yet another great month for Health and PE class. We spent the first half of the month finishing our team sports unit with Tee-Ball. The children practiced batting, fielding, and running the bases. They were so encouraging of one another as they cheered on each batter. It is heartwarming to witness a child feel joy for friend, and these children offer love and kindness daily without prompting. It is special. Spring week was loads of fun! The students moved and played with Jesus in their hearts! They balanced eggs on a wooden spoon, tossed Easter eggs into baskets, and ‘fed the frog’ with a beanbag toss.

We are going to spend May playing. We have wacky relays and loads of playground games to introduce to the children. As we close out the school year, we want to thank you, the parents, for sharing your children with us all year. We have watched them grow with Jesus in their hearts, while they learn about their bodies and have FUN! We have enjoyed every minute.

**God Bless,**
