## May 2018

Dear Friends,

Wow, this school year has passed so quickly! May will be our last month of preschool for the 2017-2018 school year. I have really enjoyed working with your children and love them very much. Throughout the school year, we have learned and participated in many fun and fantastic things. We will continue to sing songs, do finger plays, and play different instruments in class. We will also continue to use scarfs as we dance to the various beats of music. Using puppets and playing my guitars on a daily basis will also continue to be a big part of the curriculum. My goal is to let the children explore "Music" in a fun, warm and loving environment. Our Fruit of the Spirit for the month of May will be "Kindness".

We have a wonderful agenda planned for the closing of our school year. Our last Parent Chapel days for the school year will be @ 11:00 a.m. on Wednesday, May 9<sup>th</sup> in KidzSpace.. I hope many of you will be able to attend. Lunch will be provided for the older classes and their parents. YUM YUM! Parents of younger students are invited to eat lunch in their child's classroom.

**Our Closing Program & Dinner is set to take place in the Church's Life Center on Thursday, May 24<sup>th</sup>. Serving will begin @ 5:30PM and continue until 6:15 PM. Students and family members are welcome to join us. After dinner, the children are to report to the Worship Center to prepare for the program that will begin @ 6:30 PM. Teachers will be there to greet your children. A letter explaining the program will be sent home soon.**

We have been working hard learning our songs. Our program will be about our community and its Community Helpers. Please try to attend if you possibly can. I know it will really mean a lot to your child to have someone there to share this special time. I will be there to greet the children in the front rows on the right side of the church. I have purchased special props that the children will use for our End of the Year Program. It will truly be a Kodak moment that you will not want to miss! Scrapbooks will be handed out at this time.

Finally, I would like to wish all of our mothers a "Wonderful Mother's Day". Please take time enjoy family because "Life would be empty without our loved ones".

Try this at home..... (Tune: Twinkle, Twinkle)  
Twinkle, twinkle traffic light, on the  
corner burning bright. Red means  
STOP! Green means Go! Yellow means  
go, but very slow, Twinkle, twinkle  
traffic light on the corner burning

God Bless,
