

# Music Notes

## February 2019

Dear Friends,

January was such a fun month for us in music. We had a wonderful time learning all about the Wise Men and the season of winter. We had fun talking about snow, snowmen and using rhythm ribbons. Ask your child how we used the ribbons to replicate falling snow. We may not get snow here in Texas often, but we sure had fun pretending!

This month our Fruit of the Spirit is love. We will talk about Valentine's Day and sing about God's great love for us and about sharing God's love with our friends. It will be fun to sing new songs and play a different instrument, the drum. Our concept focus for this month is loud and soft. We will listen to the difference between the two dynamics and then play and sing loudly and then softly. I hope your children enjoy these activities!

As we near the end of the month, our focus will turn to the rodeo. We will begin to learn songs about Texas and the rodeo. We will be having a special music program. More information will be coming soon.

If you ever have any questions or concerns, please contact me. My email address is [jmiller@dayonechristianacademy.org](mailto:jmiller@dayonechristianacademy.org). I look forward to this month of musical activity with your child!

God's blessings,

Jennifer Miller
