

# Music Notes

## March 2019

Dear Friends,

February was such a joyous month for us in music. We had a wonderful time learning all about Valentine's Day and how much Jesus loves us. The children had so much fun at our rodeo program and singing rodeo songs! Thank you to all those that came out to support and celebrate this Texas tradition. Also, ask your child how we used the drums to practice loud and soft. The children enjoyed their time using this instrument!

This month our Fruit of the Spirit is Self-control. We will talk about being patient and taking turns. We will also talk about our next season, spring! It will be fun to sing new songs and play a different instrument, the woodblock. Our concept focus for this month is fast and slow. We will listen to the difference between the two, then play and sing fast and slow. I hope your children enjoy these activities!

If you ever have any questions or concerns, please contact me. My email address is [jmiller@dayonechristianacademy.org](mailto:jmiller@dayonechristianacademy.org). I look forward to this month of musical activity with your child!

God's blessings,

Jennifer Miller
