Dear Parents,

Happy Spring everyone! The students had a great February and they learned so much about Jesus' love for us and how we can show love to others.

This month, we will learn the color orange, the diamond shape, and all about the season of Spring. Also this month, we will be doing lots of experiments with gravity. The students love to watch things fall, how far and how fast. Since their speech is taking off, they may even attempt to say the word "gravity"! They will also be learning all about animals, the sounds they make, where they live and who takes care of them.

Spring Break is the 11th-15th and Day One will be closed for Preschool. We will be open for Full Time students only.

This month also begins the season of Lent on March 6th, which is Ash Wednesday. It is also our parent chapel, and as always, you are invited to attend!

We look forward to a fun filled, Christ centered March with your child. As a reminder, please dress your child for the current weather. We go outside as much as possible!

In Christ's name,

Jessica Sitton and Shani Vindas
