Dear Parents,

Happy April everyone! This month, we will learn the color brown, the cross shape, and all about God's creation. Also this month, we will be doing lots of activities involving eggs, new life, creation and most importantly, Jesus. We will continue learning the animal names and sounds, the children have had such a wonderful time trying to imitate the sounds and saying their names. The children's words (and some phrases) have really blossomed! April 8th-12th is our volunteer appreciation week.

On April 20th, the church will have their annual Eggstravaganza. If your little one likes to play games, hunt for eggs and have a fun time, this is something you don't want to miss!!

On April 14th we invite you to our Palm Sunday service, as we begin our Holy Week. In the important dates section, there are different services we invite you to attend. April 21st is Easter Sunday! We invite you and your family and friends to come celebrate the resurrection of our Lord, Jesus Christ! All the service times are available at www.gdlc.org.

Day One is closed on April 19th and 22nd.

As always, we invite you join us at Parent Chapel, on April 17th, the children have learned some of the motions to the songs, and are really enjoying it!

We look forward to a fun filled, Christ centered April, with your child. As a reminder, please dress your child for the current weather. We go outside as much as possible!

In Christ's name,
Jessica Sitton and Shani Vindas
