week

22nd – Parent Chapel

23rd – End of year
Program

24th – Last day of
Preschool

27th – DOCA closed for
Memorial Day

29th – Summer
program begins

Dear Parents,

Happy May everyone! We cannot believe it is the end of the year already. We have enjoyed teaching and loving your precious children. They have grown and achieved so many new things. Over the year, they have learned shapes, colors, things to be grateful for, trying to say so many words, and most importantly, the love Jesus has for us.

This month we will be teaching about kindness and how we can implement kindness with our friends. We also will be learning about all of God's creations. We also have fun days planned celebrating Mother Goose, moms and dads, and other fun projects!

During the week of May 20th, we will be having water discovery week. A schedule will be posted closer to the week with our days to play. Children need to come in their swim attire and bring dry clothes, shoes and a towel to use after we splash around in the sprinklers! Please remember to label ALL your child's items.

On the 23rd, we will have our Year End Program. More details to come as they become available, so make sure you check your child's cubbies daily! Also, the last day of preschool is May 24th. Our parent chapel is May 22nd, and as always, we invite you attend!

Please dress your child in weather appropriate clothing, we go outside as much as possible.

In Christ's name,

Jessica Sitton and Shani Vindas

Unit topic: Gods people benefit from His creation.

Emphasis: Mother and Father

Fruit of the Spirit: Kindness

Color: Black

Shape: Rectangle

Memory verse: "We have the Lord our God to help us." – 2 Chronicles 32:8
