

ROBINS NEWSLETTER

FEBRUARY 2019

Dear Parents,

We hope you had a wonderful start to the New Year!!! During January, we had an interesting time doing our penguin art project. The babies loved the squishy feeling of the paint between their little toes. We made lovely and messy footprints with lots of giggles along the way!

February, we think about love and hearts! We focus on God's love for us as his children. Our goal this month is to teach the infants about God's love through songs, stories, play and lots of hugs and kisses. We have many activities that will emphasize the love we have for God, our children and our families.

We will be celebrating Davis and Francesca's birthday this month, what a joyous and exciting time!

February 20th at 11:00 AM is Parent Chapel and Lunch. The children really enjoy chapel and would love for you to join them. We hope to see you there!

This month we will be doing a Fundraiser with Original Art Works done by the children! This is very exciting and we hope everyone participates. We will be sending home information soon in your child's basket.

We will start 2019-2020 Fall Registration on February 11th. You will need to complete and return the forms to the office to continue your child's enrollment in our program. It is such a blessing to be able to care for and watch your precious children grow in the next school year.

We wish you all a blessed February full of love!

**In His Name,
Mrs. Cristina, Mrs. Shani and Miss. Britney**
