

March 2019 Robins Newsletter

Dear Parents,

Welcome Spring! This month ushers in a new season. We look forward to watching the change in God's world as nature begins to grow. It is our goal to help the infants grow to appreciate the love and beauty of the world around them that God has created. We will show the babies how we should always be good stewards of what God has given us. We will show our babies this through daily nature walks, books, songs and sensory exploration.

We have your child's original art work displayed around the classroom. Please take a few minutes to look at their work and place your orders! These items make great gifts for Grandparents, special occasions, Mother's Day, Father's Day or just as keep sake for later in your child's life.

Over the last few weeks we have seen our babies grow so much. We have reached many new milestones. The infant teachers would like to thank all of our parents for your continued support as you help us and work with us through your child's growth and development.

We would like to invite you to our Parent Chapel Lesson on Ash Wednesday March 6th at 11:00 AM. There will be an imposition of ashes that you and your child may participate in if you desire. The ashes remind us of our sins and a cross is made on our forehead to remind us Jesus died for us. The children really enjoy chapel and would love for you to join them. We hope to see you there!

We are looking forward to a wonderful and blessed month again, we would like to thank you for entrusting your child with us to love and care for daily.

God's Blessings,

Mrs. Cristina, Miss. Britney, Mrs. Natasha Jadusingh, and Miss Ava Trevino
