

Tigers Newsletter May 2018

Dear Parents,

It's here again, the end of the school year! We had a wonderful April. We made kites, collages, and went on nature walks. There was one day we went outside and it started sprinkling. The children loved running around and opening their mouths to "catch" the raindrops. We also took our kites outside to fly them on the playground.

May is going to be very exciting. We will be making a Mother's Day card, reviewing our colors, shapes, and numbers. On May 7-11, we will be celebrating Teacher Appreciation week. On May 3, we will be participating in the National day of Prayers by meeting at the flagpole at 11am, weather permitting. We hope you can join us.

We will be having water discovery days the week on May 14-18. Please dress your child in his/her swimsuit with sunscreen and insect repellent applied. Also, bring a towel and a change of clothes, as well as a dry pair of shoes, all labeled in a plastic bag to use for wet clothes.

Our last Parent Chapel for the school year is May 9 at 11:00am. We hope you can join us.

You will not want to miss our End of Year Program on May 24! We will be serving dinner at 5:30pm and meet by the worship center at 6:15pm to get the children ready. The children have been working hard practicing their songs. Afterwards, please join us in the classroom to pick up a special memory book. We look forward to seeing everyone.

As the school year ends, we want to say thank you for sharing your child with us. It has been a blessing to watch them learn and grow.

God bless,

Ms. Rice and Ms. Klarita
