

JANUARY 2020

Tigers Newsletter

Dear Parents,

Happy New Year 2020! We pray everyone had a wonderful and Blessed Christmas, while celebrating Christ's birth! It's hard to believe that a new year is here. Thank you for sharing your child with us. We are blessed not only having them in our class, but the best part is the joy to watch all of the children learn and grow.

Last month the children enjoyed their "hands on experience" of making their very own Christmas ornaments and other projects. The feel of the glue, and the bright color paint on their fingers, brought looks of "awe", and big smiles on their little faces! They also loved practicing for the Christmas program and singing those special songs. Thank you to the parents and grandparents who came to enjoy this special time with our class and everybody else there. We want to thank each and every one of you parents for the special gifts you gave us this Holiday Season! We truly appreciate it!

This month our focus will be how God is patient with us, and how He can help us be patient with others! We will be emphasizing the Epiphany, when the wise kings come to worship Jesus following the star-Matthew 2:1-11. We will be talking about winter and all the wonderful things that go with it. Our class will be joining the Lions class for a pajama and movie fun day on the 15th and 16th of this month.

We want to start 2020 by thanking God for His son Jesus Christ, and all our many blessings! We want to thank Him especially at this time for all our children and their families.

We are planning a big year with faith, hope, joy, and lots of love for our students in Tiger classroom.
