SHARING THE LOVE!!!

DEAR PARENTS,

We had such a great time in February getting to learn about life on a farm! We learned how to shuck a corncob, build a barn, and have a special mud pie snack! We enjoyed getting to participate in random acts of kindness and make something special for all our friends in the church office. The smiles on their faces and the joy we brought to them was such a blessing.

STAMPEEDING INTO MARCH.....

As we kick up our heels for Texas Independence Day, we will start learning about all the different zoo animals, especially those animals from Texas! From armadillos

to zebras, we are going to explore all of God's living creatures. We are excited to go on a scavenger hunt and make our own animals out of clay! We are going to find out what animals eat with a special snack, so keep an eye out for a sign-up sheet to be posted on the teachers' doors! We are also going to have a fun elephant science experiment with Ms. Sarah on March 5th!

IMPORTANT NOTICE

There will be no preschool March 11-15. We will be open for full-time students only during Spring break.
